

Travis Arnott

What is your gender?

Male

Age?

49

County (or Counties) of Primary Residence?

King

Residential setting:

Rural

Do you identify yourself as any of the following?

Hunter

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf classification/status

Wolf management areas

Wolf-livestock conflicts

Wolf-ungulate interactions

Wolf interactions with other species

Wolf-human interactions

Wolf hunting

Land management

Habitat connectivity

Information and education

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

HUNT THEM. We cannot continue to leave predators unchecked and expect the ecosystem to balance out. Tying wdfw hands of properly managing cougar, bear and now wolves and Grizzly will be detrimental to a balanced ecosystem in the modern world. We must using hunting as an effective tool to limit bad interactions with predators.
