

Paul Franzmann

What is your gender?

Male

Age?

68

County (or Counties) of Primary Residence?

Walla Walla

Residential setting:

Urban

Do you identify yourself as any of the following?

Environmentalist

Hunter

Outdoor Recreationist

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf conservation and monitoring

Wolf classification/status

Wolf management areas

Wolf hunting

Land management

Habitat connectivity

Information and education

Research

Please list other topics here. The next page provides space for general comments on the scope of the plan.

Combating political disinformation campaigns.

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

I've lived near wolves most of my adult life in three states. They make far better neighbors than cattle that destroy riparian integrity on leased federal & state lands.
