**What is your gender?**

Prefer Not to Say

**Age?**

48

**County (or Counties) of Primary Residence?**

Douglas

**Residential setting:**

Rural

**Do you identify yourself as any of the following?**

Environmentalist

Hunter

Livestock Producer

Outdoor Recreationist

**WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.**

**Please review this list and add other topics, or items that fit under these headings.**

**Please check the topics you view as most important.**

Wolf classification/status

Wolf management areas

Wolf-livestock conflicts

Wolf-ungulate interactions

Wolf hunting

Land management

**Do you have general comments about the scope of Washington's updated wolf conservation and management plan?**

My comment reflects that I do not believe there is a clear plan outside of pleasing special interests. There should not be a single mandate for the State. In other words, what works for King County may require changes for the other 38 Counties. I believe that will be the most difficult perhaps impossible impediments to any serious management.
