

Jeffrey Martin

What is your gender?

Male

Age?

67

County (or Counties) of Primary Residence?

King / Kittitas

Residential setting:

Rural

Do you identify yourself as any of the following?

Outdoor Recreationist

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf conservation and monitoring

Wolf classification/status

Wolf management areas

Wolf interactions with other species

Land management

Habitat connectivity

Information and education

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

The Wolves need protection until full recovery and ranchers need to follow a formal set of rules about ranching in wolf country. No lethal control of wolves unless they follow rules and guidelines and cooperate fully with wildlife experts. Some grazing leases need to be retired to protect Wolf habitat.
