Urban

Do you identify yourself as any of the following?

Environmentalist

Hunter

Outdoor Recreationist

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf-livestock conflicts

Wolf-human interactions

Wolf hunting

Reporting and evaluation

Please list other topics here. The next page provides space for general comments on the scope of the plan.

Native species protection.

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

I would like to see a native wolf species exist but not a non native species dominating existing animals.

A balanced system should be maintained without repercussion to live stock ranchers protecting said life stock, or anyone protecting their home from predatory animals.
