What is your gender?

Female

Age?

69

County (or Counties) of Primary Residence?

Tompkins, NY

Residential setting:

Other

Mixed urban/suburban/rural

Do you identify yourself as any of the following?

Environmentalist

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Please list other topics here. The next page provides space for general comments on the scope of the plan.

Ethical approach

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

My concern as a New Hampshire and now New York state resident is for the survival and presence of wolves in North America. Washington state's wolf conservation and management plan should have at its center a unique and wonderful leadership opportunity and commitment to the survival and presence of North American wolves. Thank you.
