

JL Angell

What is your gender?

Female

Age?

63

County (or Counties) of Primary Residence?

El Dorado

Residential setting:

Rural

Do you identify yourself as any of the following?

Environmentalist

Outdoor Recreationist

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf conservation and monitoring

Wolf classification/status

Wolf management areas

Wolf-livestock conflicts

Habitat connectivity

Research

Reporting and evaluation

Please list other topics here. The next page provides space for general comments on the scope of the plan.

evidence-based decisions, like following the successful nonlethal approaches used elsewhere that call for ranchers to take responsibility, too, for avoiding conflict between their animals and wolves

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

It needs to be revised to conform to the Governor's directives, the facts, the science and the evidence rather than myth-based preferences of ranchers and hunters.
