WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf conservation and monitoring

Wolf classification/status

Habitat connectivity

Information and education

Reporting and evaluation

Please list other topics here. The next page provides space for general comments on the scope of the plan.

Restoring wolves as a crucial apex predator in healthy ecosystems.

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

Your slavish kowtowing to a handful of wealthy ranchers (mostly squatting on public land for profit) is a disgusting betrayal of your professional duties, not to mention your humanity.
