**What is your gender?**

Female

**Age?**

53

**County (or Counties) of Primary Residence?**

Clackamas County in Oregon

**Residential setting:**

Suburban

**Do you identify yourself as any of the following?**

Environmentalist

Outdoor Recreationist

**WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.**

**Please review this list and add other topics, or items that fit under these headings.**

**Please check the topics you view as most important.**

Wolf conservation and monitoring

Wolf management areas

Wolf-livestock conflicts

Wolf interactions with other species

Wolf-human interactions

Wolf hunting

Information and education

Research

**Do you have general comments about the scope of Washington's updated wolf conservation and management plan?**

Please continue to work toward preserving wolves and increasing their numbers. I feel the public is highly uneducated when it comes to wolf interactions with humans and their threat to livestock. I also feel that the opinions of hunters and ranchers are taken into account more than should be when it comes to wolves, which are viewed as a threat by both parties. Thank you.
