

Charles Burnett

What is your gender?

Male

Age?

72

County (or Counties) of Primary Residence?

stevens

Residential setting:

Rural

Do you identify yourself as any of the following?

Hunter

Livestock Producer

Outdoor Recreationist

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf-livestock conflicts

Wolf-ungulate interactions

Wolf interactions with other species

Wolf-human interactions

Wolf hunting

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

wolves are causing deer and elk populations to decline rapidly. They are killing livestock which causes a severe hardship on farmers and ranchers. Their presence is putting rural citizens and all people who use are great outdoors at risk of bodily harm or death.
