

Yvon Lynch

**What is your gender?**

Female

**Age?**

73

**County (or Counties) of Primary Residence?**

Hennepin

**Residential setting:**

Suburban

**Do you identify yourself as any of the following?**

Environmentalist

Outdoor Recreationist

**WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.**

**Please review this list and add other topics, or items that fit under these headings.**

**Please check the topics you view as most important.**

Wolf conservation and monitoring

Wolf classification/status

Wolf management areas

Wolf-livestock conflicts

Wolf interactions with other species

Wolf-human interactions

Wolf hunting

Land management

Habitat connectivity

Information and education

Research

Reporting and evaluation

Goals objectives strategies and tasks

**Do you have general comments about the scope of Washington's updated wolf conservation and management plan?**

I believe that it is vital to preserve our wolf population while finding ways to appease livestock owners. I do NOT support wolf hunting for sport. It is a despicable act in a world where our wildlife is quickly disappearing due to deforestation, population growth/housing projects, etc. eliminating our precious wild areas, OVERHUNTING and many environmental issues.
