Other

split time Urban and Rural

Do you identify yourself as any of the following?

Environmentalist

Outdoor Recreationist

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf conservation and monitoring

Wolf classification/status

Wolf-livestock conflicts

Wolf interactions with other species

Wolf-human interactions

Wolf hunting

Land management

Habitat connectivity

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

They are important for the ecosystems, and we should be smart enough to live along side them in a way which allows both to thrive. Use your big human brain, and put in the effort.
