

Aristana Firethorne

**What is your gender?**

Female

**Age?**

54

**County (or Counties) of Primary Residence?**

Island

**Residential setting:**

Rural

**Do you identify yourself as any of the following?**

Environmentalist

**WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.**

**Please review this list and add other topics, or items that fit under these headings.**

**Please check the topics you view as most important.**

Wolf classification/status

Habitat connectivity

Information and education

**Do you have general comments about the scope of Washington's updated wolf conservation and management plan?**

I believe that wolf hunting should never be allowed and that killing them is never a good option, no matter what issues are being dealt with. There are other solutions to the problems. I have a degree in Wildlife Biology, and Environmental and Systematic Biology.
