

Greg Willett

**What is your gender?**

Male

**Age?**

54

**County (or Counties) of Primary Residence?**

Pierce

**Residential setting:**

Suburban

**Do you identify yourself as any of the following?**

Environmentalist

Outdoor Recreationist

**WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.**

**Please review this list and add other topics, or items that fit under these headings.**

**Please check the topics you view as most important.**

Wolf conservation and monitoring

Wolf classification/status

Wolf interactions with other species

Wolf-human interactions

Habitat connectivity

Information and education

Research

**Do you have general comments about the scope of Washington's updated wolf conservation and management plan?**

Ranchers need to accept losses related to wolves. If that means they are compensated by the state, so be it. Stop punishing/killing wolves for doing what they are meant to do. They were here first and we need to protect them.
