

David Monnastes

What is your gender?

Male

Age?

1

County (or Counties) of Primary Residence?

Spokane

Residential setting:

Urban

Do you identify yourself as any of the following?

Outdoor Recreationist

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf-livestock conflicts

Wolf interactions with other species

Wolf hunting

Information and education

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

Get the Ranchers off public land. Yellowstone has proved that the ungulate herds and the environment in general benefit from the presence of the Wolves. Leasing public land to ranchers that put their herds in close proximity to wolf pack is criminal. Too many of the lease holders deliberately use the tactic to justify killing the packs. 'tis pure greed in action.
