

Mitchell Roehl

What is your gender?

Male

Age?

40

County (or Counties) of Primary Residence?

Snohomish

Residential setting:

Urban

Do you identify yourself as any of the following?

Hunter

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf classification/status

Wolf management areas

Wolf-livestock conflicts

Wolf hunting

Land management

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

Something needs to happen now! If we keep waiting there is going to be no deer or elk left to hunt at all. This state is being lied to about the amount of wolves. As someone who spends a lot of time in the mountains the numbers are getting worse and worse. And you can just tell where the wolves are. They need to be managed now.
