WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf conservation and monitoring

Wolf hunting

Translocation

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

Look at management and not hunting, translocation preferably.
Please look at enforcing rules preventing human interaction with
wolves, and please ban any sort of 'hunting contests' that factor into
any hunt that's needed. But preferably please avoid hunts all together.
Thanks
