

Roberta Millstein

**What is your gender?**

Female

**Age?**

53

**County (or Counties) of Primary Residence?**

Yolo County

**Residential setting:**

Suburban

**Do you identify yourself as any of the following?**

Environmentalist

Outdoor Recreationist

**WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.**

**Please review this list and add other topics, or items that fit under these headings.**

**Please check the topics you view as most important.**

Wolf conservation and monitoring

Wolf classification/status

Wolf management areas

Wolf-livestock conflicts

Wolf-ungulate interactions

Wolf interactions with other species

Wolf-human interactions

Wolf hunting

Habitat connectivity

Research

**Do you have general comments about the scope of Washington's updated wolf conservation and management plan?**

Wolf killing should ONLY be done if a human's life is immediately and directly threatened. Otherwise, there are better ways of preventing wolves from behaving in ways that we don't like and better ways to address the concerns of ranchers and hunters. The plan should focus on those.
