WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Land management

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

There is to much private land issue with wolves

The cost verses reward does not pencil out period

Why do you ignore the other 3 states that have dealt with with wolf nightmare
