76

County (or Counties) of Primary Residence?

Yakima

Residential setting:

Urban

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf conservation and monitoring

Wolf classification/status

Wolf management areas

Wolf-livestock conflicts

Wolf hunting

Research

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

Washington's wolf management and conservation makes me ill. Wolves should NEVER be slaughtered due to a cattle rancher's raising his cattle on PUBLIC lands! This looks very much like the ranchers have way too much support from WDFW. Disgusting.
