

Nickie Sinclair

What is your gender?

Female

Age?

33

County (or Counties) of Primary Residence?

Thurston

Residential setting:

Urban

Do you identify yourself as any of the following?

Outdoor Recreationist

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf conservation and monitoring

Wolf management areas

Wolf-livestock conflicts

Wolf hunting

Land management

Habitat connectivity

Information and education

Research

Reporting and evaluation

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

I think it's important to preserve the wolves while we can. I do own a horse, and I understand the fear of it becoming prey to a predator. However, while that is a valid fear for livestock owners, and I get that their income is affected, wiping out wolves cannot be the answer, especially when it comes to public lands.
