WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf conservation and monitoring

Wolf classification/status

Habitat connectivity

Please list other topics here. The next page provides space for general comments on the scope of the plan.

We need to have respect for natural habitat and the beings that call it home.

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

No cyanide bombs EVER. As a chemist, I strongly oppose the torture and killing of wild beings.ance.
