WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf conservation and monitoring

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

I will keep it simple: we must stop killing wolves. Period. How can we, as stewards of this earth, allow for the destruction of a social creature that lives in families and has no record of a lethal attack on humans in this state?
