---

DEC,

I moved to Alaska from Montana in 2002. I immediately fell in love with the state. I couldn't wait till my yr was up so I could hunt this amazing state. Once my yr was up I hunted the Chugach, Talkeetnas, Alaska Range and Brooks range. I then got my assistant guide listed and have guided 21 sheep hunts, 9 goat hunts and 2 musk ox. I fully support testing of all domestic sheep and goats of all ages prior to entering or imported into Alaska. I support Movi testing through AAVLD accredited diagnosis laboratories and adding Movi to the reportable disease list and require same day reporting. I fully support the regulation change so our kids have a great place to hunt in the future. I am a member of the AK Wild Sheep and AK Chapter SCI.

Chad
