**Subject:** DEC Regulations/Testing Sheep & Goat  
**Date:** Thursday, September 17, 2020 2:28:14 PM

---

Shannon,

I would like to voice my opinion on this proposed regulation about testing sheep & goats coming into Alaska for M.o.vi. I have been farming in Alaska since the 50's. This type of over regulation is unnecessary and I strongly oppose it.

Thank you,  
Terry Weiland
