

## Carl Jennings

I am writing to provide support for the Intended Use Plan for Kotzebue Storm Drain Planning, Design and Construction - Conduct inflow and infiltration study for Lift Station 8. As Public Works Director, I fully understand the critical nature of having this much needed work completed to ensure that the City of Kotzebue is able to provided necessary services to our community, thank you for considering this vital project.

Respectfully,  
Carl D Jennings  
Public Works Director  
City of Kotzebue
