Subject: Request for 30-day Extension of Public Comment Period

Dear Ms. Colvin,

The City and Borough of Juneau (CBJ) runs a hazardous waste collection program. (You can find more information on our program here: <https://juneau.org/engineering-public-works/recycleworks-2/hazardous-waste> ).

We only recently found out about the 30-day public comment period on the Alaska Department of Environmental Conservation (ADEC) proposed regulations for a hazardous waste program and the associated deadline on Labor Day (September 4, 2023) for questions.

These are relevant changes for CBJ and we would like time to provide comments and ask questions. Therefore, we request a 30-day extension of the public comment period and associated period to submit questions.

Sincerely,

Denise Koch

Deputy Director of Engineering & Public Works

Cc: Katie Koester, CBJ Director of Engineering & Public Works
