

Alaska Department of Natural Resources

1) Section 1.2 Table 1.2-4 pg. 1-6: Change the phone number for DNR-OHA from 907-269-8721 to 907-269-8700.

2) Section 1.2 table 1.2-4 pg 1-6: In footnote 8, eliminate the word historic. Current wording implies permits are required for historic archaeological sites, but they are required for both historic and prehistoric sites.

3) Appendix A, pg 224-226: The state cultural resource investigation permit application and stipulations have been updated for 2024. Suggest that you provide link to OHA webpage for Cultural Resource Permits in section 3 pg 3-53, or use updated documents at: <https://dnr.alaska.gov/parks/oha/archsurv/permitinvestigate.htm> Keep permit documents up to date or provide link to these documents in section 3.
