To Whom It May Concern:

My name is Jill Rusyniak and I live in Tok, Alaska. I have reviewed the Reclamation and Closure Plan and Waste Management Plan for Manh Choh and encourage you to approve it. It is thorough, takes into consideration community wants, was written in consultation with the landowners and calls for sufficient financial assurance to cover virtually any unanticipated event.

Mine operator Kinross is a responsible miner who has diligently listened to the residents of Tetlin and Tok, along with the surrounding communities. They have purchased local goods and services and hired Alaskans wherever they can. They have helped train our people for the very high-paying jobs the mine creates.

Thank you for your consideration.

Sincerely,

Jill M. Rusyniak
