

Derek Lakey

I fully support this project.

Kinross is known for their environmental stewardship with a proven track record. Kinross goes to great lengths to ensure their due diligence, and are fully committed to ensuring that all local, state, and federal regulations are followed.

I encourage you to approve the permits for this project as it will be very beneficial to the surrounding communities and the whole of Alaska industries.

The reclamation and closure plan will ensure that the land is returned to a condition that is equivalent to or better than the current status.
