To Whom It May Concern:

The Native village of Tetlin is in support of an open pit mine with no mill. We approve of hauling rocks.

The Native Village of Tetlin has reviewed the Manh Choh Reclamation and Closure Plan, and supports the post mining land use outlined in the plan as long as it is an open pit mine with no mill. The waste rock storage areas will be regraded, topsoil will be placed on top and they will be seeded in accordance to the Reclamation and Closure Plan.

If you have any questions, please call 883-2021.

Sincerely,

Michael Sam 1st Chief
