

## City of Homer

The City of Homer supports the ADEC's proposed Intended Use Plans and is grateful for the support for our water, sewer and storm water projects. We appreciate the ADEC staff's thoughtful deliberations regarding the health and environmental benefits of each project. We particularly appreciate addition of non-point source storm water projects. It is very difficult to get funding for such projects elsewhere; for example such projects cannot be funded through our water/sewer rate structure. We also appreciate the ADEC's support for planning projects, which are also difficult to fund, but totally necessary for proper utility planning. Thank you again, Janette Keiser, PE, Public Works Director/City Engineer
