

DNR DMLW

DMLW relies on DEC expertise when considering matters related to pollutant discharge into the environment. DMLW has no comment on AK0021385 Draft Certificate and ANTIDEGREDATION Form.

Related to NPDES Permit No. AK0021385, the applicant, Haines Borough, has requested a public easement on state-owned submerged lands which is serialized as ADL 108385. In 2017, DMLW issued the applicant a Five-year Entry Authorization, expired as of March 20, 2022. As stipulated in the Entry Authorization, the applicant is required to submit an approved as-built survey to DMLW before the final easement can be issued.
