

Kristeen Bullwinkle

I am happy to see the time limit and specifics in this draft. As a neighbor of Water Gremlin, I have no trust that they will do the right thing by us so until they can prove me wrong, I support these permit changes. Meeting these requirements without penalties will be a first step in gaining my trust. I am also happy to see that some of the requirements will also make the company a safer workplace.

BTW, I also really appreciated the public meeting in July.
