

Minnesota Dept. of Natural Resources Shallow Lakes Program

I am commenting on the MPCA's "Wild Rice Water's" List in general rather than the impaired water's list. MNDNR Shallow Lakes program did a review of the MPCA wild rice waters list. For my work area (covering Benton, Todd, Morrison, Crow Wing, Cass, Beltrami & Lake of the Woods Co.'s) I found the following:

Basin's missing from the MPCA's wild rice list - 77033900 (Unnamed in Ruff-Nik WMA: South Unit), 49034400 (Little Elk WMA Impoundment), 77010600 (Lashier in Lashier WMA), 18060200 (Unnamed in Uppgaard WMA), 18078500 (Loerch Impoundment in Loerch WMA), 04034600 (Mulligan).

Thank you,
Jenny
