

Cumulative impacts

What would you like to see covered in a community benefits agreement? **(DRAFT)**

Below is a list of possible elements that could be in a community benefits agreement (CBA). Tell us what you think should be included.

- What elements do you think are most important to be included in a CBA?
- Should we consider any other elements?
- Should the MPCA not consider any elements?

Disclaimer: This document is a working document. This document may change over time as a result of new information, further deliberation, or other factors not yet known to the MPCA.
