

## Annette Lagoon

Do the following categories adequately provide for the types of benefits that you would like to see in a community benefit agreement?

- facility implements measures at its facility to avoid contributing to stressors
- facility implements measures at its facility to minimize contributions to stressors
- facility implements measures in the community to reduce stressors to which the facility will contribute
- facility implements measures in the community to reduce stressors to which the facility will not contribute
- facility implements measures to provide a net environmental benefit

Joann shimota, Marty tambornino, Joan sigmundik, Amy Verge anka DuPont. all claimed to live at this address. Even Lisa poser Patterson as Annette Johnson has connected a big payday off of 3M settlement now working on the pipe line. Problem is 90% of the people collecting never lived in our polluted neighborhood. How are they getting b? Must be them who did all the bio monitoring? Cheryl Mikel even signed up for a second shot since moly by using her daughter's name. Then City Hall pays settlement funds under the table by say Aue Aye for settlement payments. Well my lot and block changed. The block just add 45 new homes in the next neighborhood. My neighbors are all dead, sick, and lied about cancer because that Robert Weinman knows the Epic system.help us please our water is still so contaminated and oil is seeping up now.
