Subject: Draft version of Air Emissions Permit No. 05700002-101, PotlatchDeltic Bemidji Lumbermill, Public Comments

Dear Scott Dunn,

Regarding the public comment period of the draft version of Air Emissions Permit No. 05700001-101, we appreciate the opportunity to review this draft and provide comments. Please see the following permit conditions of concern and associated comments.

Upon review of the draft permit, we believe that there is opportunity to provide additional clarity in a few of the permit conditions.

The attachment includes the permit conditions of concern and a summary of our request to ensure we are meeting the expectations of the MPCA. The comments are associated with emissions calculations, span values, performance testing date and the biennial report.

Thank you for your time and consideration of our input. If you have any questions, please contact me.

Sincerely,

A handwritten signature in cursive script that reads "Andy Craner".
