Dear Mr. Peterson,

My name is Donita Ascherman. I am a farmer in Fairfield Township (Holloway), Minnesota, and have lived near several Riverview Dairy operations since they began. I have visited their properties many times and have observed their daily operations. Riverview should be commended for maintaining well-managed, controlled, and clean facilities. My husband and I have consistently done business with Riverview, and in every instance they have acted with professionalism and integrity.

As farmers in Minnesota—a state that depends heavily on agriculture—the ability to market corn to Riverview and to receive manure as a nutrient source is essential to our farm business. I support the West River Dairy expansion and believe Riverview has proven, and will continue, to comply with the rules and regulations set forth by the state of Minnesota.

Sincerely,

Donita Ascherman
