

Jerry Nelson

Minnesota Pollution Control Agency  
ATTN: Charles Petersen 520 Lafayette Road St. Paul MN 55155

My name is Jerry Nelson, and I am a farmer in Norway Township, Roberts County, Veblen SD. I am writing in support of the proposed West River Dairy Expansion.

I've been growing silage corn for the East and West Marshall Dairy by Veblen SD for several years.

They have been applying manure on my land with awesome results for my crops. They soil test and send me results to share with my crop consultant. This allows me to manage my crop nutrient inputs effectively.

They have been instrumental in maintaining our township roads when needed because of wet fields, by graveling our roads where needed because of wear & tear from hauling silage.

I have experienced a better profit margin since I have been raising corn for the Marshall Dairy. This has been very beneficial for my operation, because I am not a large operation.

I am also a volunteer fireman. The Marshall Dairy has donated money for repairing our cement apron in front of the fire truck garage. Also donating money for our fundraisers.

I feel your community will benefit greatly from Riverview Dairy.

Sincerely, Jerry J Nelson
