

Sandra Yost

My name is Sandra Yost, a neighbor to river Riverview Dairy and live in Dublin township. I am writing in support of the proposed West River Dairy expansion.

We have seen, close up the way Riverview operates. You will not find a business that operates with more professionalism, integrity or environmental responsibility. All of their facilities are the exemplary, all you have to do is drive by one of the sites and you will see how committed they are to doing things the right way.

They follow the manure and water regulations as regulated by the state of Minnesota and go above and beyond. Local farmers benefit by the use of manure as a natural fertilizer on their fields., supporting long term sustainability.

Riverview has been a community partner, for farmers, creating jobs, maintaining roads and supporting schools and local programs.

Based on Riverviews track record, I believe that the rigorous review that is in place is sufficient and additional regulatory burdens are not needed.

I strongly support the approval of West River Dairy Expansion,

Sandra Yost
