Javier Torillo

My name is Javier Torillo, and I worked at West River approximately three years ago. I am writing to express my support for the expansion of this company.

In my experience, West River is an excellent organization that provides many employment opportunities and promotes cultural learning. It also encourages important values such as water conservation, animal welfare—especially the care of dairy cows—and the protection of the natural environment.

During my time there, I observed a positive and respectful work environment. For these reasons, I would like to continue supporting the growth of the dairy industry and the development of agriculture in this area.

I fully support the proposed expansion.

Thank you for your time and consideration.

Sincerely,
Javier Torillo
