Honorable Members of the Anchorage Assembly,

I am a resident of District 3 and an endorser of Map 11 v2 for the Anchorage Reapportionment of District Boundaries.

1. The Population Deviation Summary indicates there is a fair balance of population numbers in each District without giving preference to any individual group. The Boundaries are logical divisions by major roads and thoroughfares. There is an acceptable deviation of 4.16% +/- for each Districts population count. The shapes of the Districts are compact bounded by straight lines.
2. JBER is in one District as befits a more transient population.
3. East Anchorage is whole. There is no annexation of Stuckagain Heights into the Eagle River District. Stuckagain Heights is not contiguous with Eagle River.
4. Midtown remains its own District. Midtown is distinct from Downtown and South Anchorage.
5. Eagle River and Chugiak remain in their own distinct and unique geographical area.

Map 11 v2 respects the integrity of Anchorage's diverse and distinct geographical areas. Neighborhoods and sections of town are not unnecessarily blended.

I believe Map 11 v2 will serve Anchorage's needs and communities fairly and equitably. There will be authentic and cohesive representation in each District's elected member of the Assembly.

I support and endorse Map 11 v2.

In Solidarity,

Jan Carolyn Hardy, President
