Reapportionment Committee,

I have reviewed the criteria and maps presented for consideration. I would like to endorse MAP #6.

However, you might consider minor changes to the midtown area. Boundaries for a midtown area logically could include:

NORTH BOUNDARY DEBAR ROAD  
SOUTH BOUNDARY TUDOR ROAD  
EAST BOUNDARY BONIFACE ROAD  
WEST BOUNDARY MINNESOTA

The above boundaries offer Midtown residents their own representation and is not included with the Downtown district.

Downtown district should include the port

JBEAR should be included with Eagle River

Strong opposition to moving the Upper Hillside to Eagle River.

Thank you for your consideration. Sandy Blomfield
