

Andrew Gray

I support Constant Amended Map 11 V2. I agree with the logic of restoring high schools to their namesake districts. Although the Kennedy Amended Map 11 V2 also restores high schools to their respective districts, the deviations benefit District 2 at the cost of all other districts; the Constant version benefits District 1 and 5 as well as District 2. To my mind, it is not fair to have a map that only benefits one district. Please note, I live in District 4 which actually is much closer to the goal number on the Kennedy version; so my comment is not selfish -- I still prefer the Constant version. I also believe that more than enough time has been given for consideration of the maps (almost three months with 16 different chances for the public to testify); I do not believe that additional time would make much difference at this point. I encourage the Assembly to vote yes on Constant Amended Map 11 V2.
