

## Barry Piser

I would like support the Constant Amended Map 11 v2. This amendment takes into consideration public testimony and concerns identified during community work sessions. The amendment summary does a good of job of highlighting the reasoning and positive outcome: moving three high schools back into their namesake districts.

I am specifically opposed to the Kennedy Amended Map 11 v2. This amendment shows a lack of understanding regarding community identity in the proposed areas of change, while illegally splitting census blocks.

Please accept the amendment put forward by Assemblyperson Christopher Constant. As a resident of District 1, please move forward as quickly as possible so that my district can achieve the equal representation that was overwhelmingly approved by Anchorage voters in 2020 with the passage of Propostion 12.
