I have been following the reapportionment map proposals and am very concerned about maps that join Eagle River (district 2) with parts of the Anchorage Hillside (district 6). because of the population density of Eagle River and the low density of the Hillside, those from district 6 being placed in district 2 would lose any political voice they now have. Additionally, the Anchorage Hillside is a coherent community with common interests and values. Splitting the hillside into different districts does not make sense and must not be done. Of the maps presented, I support Anchorage Action V2. I am adamantly against the Robert Hockema V2 and the Anchorage for Fair Redistricting maps. Both of those maps will result in beefing up Eagle River's political influence and decrease South Anchorage's political voice.
