Dear Assembly Members,

I want to thank you for this convenient online forum for everyone to make public comment, as well as thank you for all your hard work serving the citizens of our town. I have looked at the four maps very closely and would like to make comment as a homeowner in Anchorage, a member of Spenard Community Council (SCC) and most importantly community organizer for the Old Hermit Park Neighborhood. I am advocating in this public comment for the adoption of map 6v2. The guiding principle for my advocacy understands that the work of the community councils is vital to the success of our city. Each community council's work and identity is extremely valuable to the city and it is highly desirable to maximize representation for the community councils by not dissecting or diluting them into multiple assembly districts. Map 6v2 is the best map for maintaining integrity of Spenard. Map 7v2 is OK, but not as good as 6v2. Map 11v2 and 12 are unacceptable. The intent and function of maps 11v2 and 12 is to dissect and dilute the SCC. There is no place on earth like Spenard, and it is important that we protect Spenard's voice and identity.

Thank you for your time and efforts dealing with these difficult topics.
