

Thomas Hawkins

Dear,
Environmental Improvement Board and the Air Quality Board!

Thank You for reading my letter.

My name is Thomas J Hawkins-Melloy and I have a good story to tell the board.
I am a son of New Mexico. My Grandfathers have help make this the state what we are currently.

1. Do Electric cars produce C2? Yes
2. Do rural people including rural native American's has access to electricity? NO
3. Can New Mexicans go to 4 states that boarder NM and that sell gas powered cars without consequences? Yes

I am against this forced mandate please push until 2035, that is the logical time frame.
Thank You,
Thomas Hawkins-Melloy
