

FREDRICK SOSA

THE IDEA OF EV IS NICE BUT NO WEAR NEAR READY. EVERY SATURDAY MORNING WE SIT HERE AT WORK AND HAVE CUSTOMER SEARCHING FOR SOMEWHERE TO CHARGE THERE VEHICLES THERE ARE TO SUPERCHARGERS THAT HAVE BEEN SITTING ACCROSS THE STREET FROM US FOR A YEAR AND STILL DO NOT WORK. THERE IS SOMETHING CALLED RANGED ANXIETY BUT THERE IS ALSO SOMETHING CALL BEING UP SHIT CREEK AND WHEN PEOPLE HAVE NO WAY TO GET HOME. ALSO TELLING ME WHAT I HAVE TO BUY IS CRAZY THE GOVERMENT ALREADY TRYs TO FORCE OUR INSURANCE NOW WHAT WE DRIVE.
